LATE PICK-UP

By 6:00 p.m. the children and staff have all had a very long day. For this reason, late pickups are highly discouraged. The late pick up fee for all Extended Day programs is \$2.00 per minute for each late pick-up. Late Pickup Fees must be paid directly at the time of pickup or by the next school day by check or money order. **Please Note: Unpaid Late Pickup Fees double after 1 school day from the day they were assessed. If you are enrolled in Half-time Extended Day a 5-unit card will be automatically issued upon the first late pick up. This is the most economical for the parent, and for this reason, it is highly recommended that parents purchase a 5-unit card in advance. The units will then be applied to each late pick up day until they are exhausted. For anyone picked up after 6:00 p.m. you may be asked to make other child care arrangements after the 5th late pick-up.** The River Oaks Elementary After School Program is available until 6:00 p.m. on a daily basis. We must adhere to these hours and cannot provide care after 6:00 p.m.
