

## FOR THE SCHOOL DIRECTORY 2009-10

The River Oaks Elementary directory serves solely the parents, children and faculty of our school community. Birthdays, play dates, community work, class projects, there are many reasons why other parents and volunteers will need to contact you.

Please login to the ROE Store, click on Directory, enter your family address and children names and grades. We will fill in the teachers when this information becomes available. For dual household children, please refer to the relevant section of the Frequently Asked Questions (FAQs).

Start here: [www.riveroakspto.org](http://www.riveroakspto.org) , click on "the ROE Store" link. (You must login to access the Directory section). If you are new to this process, read the FAQs (link at the top left corner of the ROE Store).

Updates are accepted throughout the year, since most parents access electronic directories on-line.

However the deadline to be included in the printed directory is: **August 31<sup>st</sup>, 2009**

You can support our project by purchasing a spirit ad for your child and/or a business ad. The sale of these ads helps to defray costs to provide each family with a FREE printed directory. We also offer electronic class directories at nominal cost (for personal use only). See the Spirit Ad or Business Ad forms at [www.riveroakspto.org/PTO\\_Forms.htm](http://www.riveroakspto.org/PTO_Forms.htm)

The st<sup>R</sup>OE

If you do not own or use a computer, please contact the ROE Store Manager by August 15<sup>th</sup> who will be happy to accommodate your needs.
